Re: Additional Comments to RFP Evaluations

Dear Representatives of the State Agencies:

On April 9, 2007, Bluewater Wind filed Additional Comments to the RFP Evaluation. At the conclusion of those Comments Bluewater asked for permission to negotiate contract terms with Delmarva. This correspondence is directed solely to that request.

In its Interim Report, the Independent Consultant reaffirmed its ranking of Conectiv Energy as the highest ranked bidder. Conectiv Energy submits that, if the Agencies are going to direct Delmarva to negotiate contract terms with any of the bidders, they should first direct Delmarva to negotiate with Conectiv Energy as the highest ranked bidder. Conectiv Energy invites the Independent Consultant and/or the Public Service Commission Staff to participate in such negotiations to ensure that they are conducted at arm's length.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read 'I. David Rosenstein'.

I. David Rosenstein, General Counsel
